

### MAINE'S ALTERNATE ASSESSMENT PARTICIPATION GUIDELINES

Maine has adopted the National Center and State Collaborative (NCSC) criteria for participation in the NCSC Alternate Assessment for ELA and mathematics. The criteria indicate that a student's disability is pervasive across the content areas. Thus, a student who participates in the NCSC Alternate Assessment will participate in all content areas. Partial participation in the alternate assessment is not available, **all** students will participate.

Eligibility Criteria	Eligibility Criteria Descriptors	Agree (Yes) or Disagree (No)? Provide documentation for each
1. The student has a significant cognitive disability	Review of student records indicate a disability or multiple disabilities that significantly impact intellectual functioning and adaptive behavior.  <i>*Adaptive behavior is defined as essential for someone to live independently and to function safely in daily life.</i>	Yes / No
2. The student is learning content standards linked to (derived from) the Updated Maine Learning Results	The student is learning content based on grade level alternate achievement standards that are linked to Maine's Learning Results.	Yes / No
3. The student requires extensive direct individualized instruction and substantial supports to achieve measureable gains in the grade-and age-appropriate curriculum.	The student: * requires extensive, repeated, individualized instruction and support that is not of a temporary or transient nature. * uses substantially adapted and modified materials and individualized methods of accessing information in alternative ways to acquire, maintain, generalize, demonstrate and transfer skills across multiple settings.	Yes / No

**The student is eligible to participate in Maine's Alternate Assessment if all responses above are marked Yes.**

In addition, evidence for the decision for participating in Maine's Alternate Assessment is **Not Based** on:

1. A disability category or label
2. Poor attendance or extended absences
3. Native language/social/cultural or economic difference
4. Expected poor performance on the general education assessment
5. Academic and other services student receives
6. Educational environment or instructional setting
7. Percent of time receiving special education
8. English Language Learner (ELL) status
9. Low reading level/achievement level
10. Anticipated student's disruptive behavior
11. Impact of student scores on accountability system
12. Administrator decision
13. Anticipated emotional duress
14. Need for accommodations (e.g., assistive technology/AAC) to participate in assessment process

Students that do not meet the criteria above will be required to participate in the Smarter Balanced Computer Adaptive Assessment in 2014-15.
